Dear Manager,

I am writing to you on behalf of the MOPS (Mothers of Preschoolers) group at First Baptist Church Newnan. MOPS is a non-profit organization designed to encourage mothers with children under school age through relationships and resources. These women come from different backgrounds and lifestyles yet have similar needs and a desire to be the best mothers they can be! We provide a caring, accepting atmosphere for them to share their concerns, explore areas of creativity and hear instruction that equips them for the responsibilities of family and community.

I believe MOPS of Newnan is a unique mom's group because we offer childcare during each of our meetings, which allows mothers to breathe and make connections without the pull and tug and constant mom calling by our littles. MOPS Kids is our childcare program designed with a pre-school type setting. Our caregivers are loving, passionate and paid. And for these reasons, this program is one of our greatest expenses.

As we step toward the 2018 - 2019 MOPS year, we are asking the community to support us. Our new theme from MOPS International is "Find Your Fire." This new theme encourages women to tend the fire in their hearts. Some women fear the fire, others tend their God-Given-Fire and use it to light up their hearts and the world.

Would you consider financially partnering with us this year? We have a small budget and a big mission of providing mothers of preschoolers the opportunity to grow and gain confidence in their abilities. Any assistance would be greatly appreciated. By partnering with MOPS of Newnan, you:

- Allow us to have impactful service projects. We have donated bags and gifts to foster families, created blankets for children, donated gifts to the Georgia Baptist Childrens Home, and provided gifts and other items to the Coweta County Pregnancy Center.
- Provide craft materials and snacks for the children in our MOPS Kids program.
- Assist us in spreading the gospel to moms in Newnan and surrounding cities. Strong moms raise strong kids and we are helping our community one mom at a time!

There are a few different ways to partner with us and receive recognition:

- Make a financial donation.
- Sponsor a MOPS breakfast, coffee, moms' night out event, spirit day or spirit night.
- Donate a "Date Night" Gift Certificate. Many of our Moms do not have it in their budget to go out, especially when babysitting costs as much as dinner, so it is our goal to give each mom a free dinner out.
- Gift Certificates or store items which our MOPS Moms can use around their homes for their families or to relax and enjoy for themselves.
- Advertise on our website. I've included ad space detail for you to consider.
- Or, if you'd like to give a door prize (gift card or another item) to be raffled off, we'd appreciate that too.
